USDA News

EXTENSION OF DAIRY FORWARD PRICING PROGRAM

The Dairy Forward Pricing Program, established under the 2008 Farm Bill, allowed forward price contracts between handlers and dairy farmers to be entered into through September 20, 2012. On January 2, 2013, legislation passed by Congress was signed by President Obama that extended the Dairy Forward Pricing Program by one year. Handlers may now enter into new forward price contracts with producers or cooperative associations of producers through September 30, 2013. All other provisions of the Dairy Forward Pricing Program remain the same.

More details are available on the market administrator's website, at www.fmmaseattle.com/announcements/Extension020113.pdf. 🐄

USDA ISSUES FINAL DECISION ON AMENDMENTS TO MILK ORDERS

On February 7, 2013, the U.S. Department of Agriculture issued a final decision proposing permanent amendments to all Federal milk marketing orders. The decision proposes a permanent adoption of changes that are currently implemented on an interim basis. The amendments are based on the record of public hearing sessions held in 2007 in Strongsville, Ohio; Indianapolis, Indiana; and Pittsburgh, Pennsylvania.

The decision would permanently adopt changes to the manufacturing cost allowances and the butterfat yield factor used in Class III and Class IV product-price formulas applicable to all Federal milk marketing orders.

These amendments were adopted in an interim final rule in July 2008 and became effective in October 2008. The February 7 announcement also terminates the proceeding with regard to additional proposals that addressed the collection of manufacturing cost information, the use of an energy cost adjustor, and providing for a cost add-on feature to Class III and Class IV product-price formulas.

The amendments finalized by this decision require producer approval. For more information see the Current News section on the market administrator's website, at www.fmmaseattle.com/currentnews.htm. 🐄

USDA ANNOUNCES NATIONAL DAIRY BOARD IMPORTER APPOINTMENT

On February 1, 2013, Agriculture Secretary Tom Vilsack announced the appointment of Susan M. Troy as a dairy importer member to the National Dairy Promotion and Research Board. Ms. Troy was newly appointed to fill a vacancy; her term is effective immediately and will expire on October 31, 2013. 🐄

RESUMPTION OF ASSESSMENTS

On January 25, 2013, the market administrator issued a letter to all handlers advising them that the administrative assessment that was waived for the milk pooled during the months of September, October, November, and December 2012, will resume beginning with the milk pooled for the month of January 2013. The rate of 3.5 cents per hundredweight for the administrative assessment currently applicable to the Pacific Northwest and Arizona Federal Milk Orders remains in effect. 🐄
